

SAGE PROFESSIONAL SERVICES

WEBSITE REDESIGN MASTER BLUEPRINT

Version 2.0 – Revenue-First Enterprise Website

PROJECT OBJECTIVE

Transform Sage Professional Services from a traditional consulting website into a modern revenue growth platform that positions Sage as a strategic revenue partner for B2B organizations.

The new website should communicate:

- Revenue Growth
- Executive Credibility
- Business Outcomes
- Strategic Expertise
- Enterprise Trust
- Measurable Results

The website must look and feel similar to leading enterprise brands such as:

- ServiceNow
 - Salesforce
 - HubSpot Enterprise
 - Bain & Company
 - McKinsey
 - BrandIron
-

HOMEPAGE

SECTION 1 — HERO

Headline

Revenue Growth Shouldn't Be Guesswork.

Subheadline

We build revenue systems that align strategy, marketing, sales, and execution to generate predictable growth for B2B companies.

Supporting Copy

Most companies don't have a lead problem.

They have a revenue system problem.

Disconnected marketing. Inconsistent sales execution. Poor visibility into performance.

Sage creates a single revenue engine that turns strategy into measurable business growth.
